Virtual Base Network

**1  
YEAR  
FREE  
RTK**

## RECEIVER UPGRADE PROMOTION

**UPGRADE your Basic or Intermediate level  
GPS RECEIVER to RTK  
and receive 1 YEAR FREE\* RTK from DigiFarm.**

**Upgrades include receivers currently  
unlocked to: JD=SF1, SF2 or SF3.**

**All others currently on WAAS, Omni-Star or TerraStar.**

### REQUIREMENTS TO QUALIFY FOR THE 1 YEAR OF FREE VBN SERVICE

- Requires a \$2,000 or greater receiver unlock purchased between July 1, 2016—December 31, 2016 . Requires a basic or Intermediate level accuracy upgrade to RTK. A copy of the customer invoice will be required to prove the unlock was purchased within terms of the program.
- Requires the purchase of a Beacon 3.0 or a Gateway.
- Promotion form will need to be submitted online or email to [info@godigifarm.com](mailto:info@godigifarm.com)

### \*RULES AND REGULATIONS

- This offer is only available July 1, 2016 through December 31, 2016.
- Not to be used in conjunction with any other offer.
- This offer must be redeemed by January 2, 2017.
- Free subscriptions expire on start date of the following year and will be automatically invoiced.
- DigiFarm reserves the right to decline free service if the program rules are not followed or the digital copy of the invoice has been electronically modified. Promotion is for U.S. only.
